MINIMIZES PROTEST RISK AND SUPPORTS TIMELY ORDER AWARD FOR OPTIMAL MISSION SUPPORT

How to Place an Order

Ordering Contracting Officers (OCOs) can work for their own agency or on behalf of another, as described below:

1. Direct Acquisitions: Under this scenario the customer agency is responsible for its own order acquisition and program management activities. In order to issue a task order under Alliant 2, OCOs are required to take Delegation of Procurement Authority (DPA) training. To register, please visit www.gsa.gov/events for an upcoming session.

2. Assisted Acquisitions: In this scenario an agency may elect to have an assisted acquisition organization provide full or partial order acquisition program and/or project management services through the Order life cycle. The scope and terms of the assisted acquisition support are directly arranged by the customer agency with the assisted acquisition organization agency, which in turn, will support the customer agencies GWAC requirements with their contracting officer holding a DPA. GSA’s range of Assisted Acquisition Services (AAS) is the preferred route and the regionally distributed AAS staff can help you through all or part of the Alliant 2 task order cycle.
