

Providing Highly Reliable Services for 30 Million Fixed/Mobile Clients

The Business Challenge.

Offer high-quality voice communication and multimedia services through Voice over IP, as well as optimize investments in infrastructure and applications for existing and new solutions.

The Solution.

Unisys business consulting, 3D Studio to design and manage customer experience, ClearPath Forward™ systems, VoiceSource Express, Agile Business Suite for application development, Unisys Universal Voice Message System, Visual Voice Mail, modernization and support services, and capacity planning.

Results and Benefits.

- Ensured no disruption to customers during network and platform transition
- Simplified operations and lowered costs by 70% while maintaining service levels and customer satisfaction
- Enabled continual innovation over the last 19 years
- Improved time to market for new capabilities and better flexibility to add new services
