

Delivering Affordable, Multi-Decade Data Storage and Access

The Business Challenge.

Develop modern data storage solutions that solve the problems of digital preservation.

The Solution.

Unisys Digital Workplace Services, including field engineering services and global parts logistics.

Results and Benefits.

- Achieved expansion of services in 60+ countries
- Improved customer service by minimizing downtime and avoiding costly disruptions
- Enabled customers to prioritize business-critical data and offload less crucial data to inexpensive storage targets, including disk, tape and hybrid cloud solutions

“Unisys is a global partner and that has allowed Spectra Logic to grow worldwide. They allow us to provide the best possible service to our customers. We believe technology innovation, along with superior customer support, gives Spectra Logic a distinct advantage. Our customers consistently rate us high for responsiveness and support, and Unisys is a great partner in helping us achieve that.”
