

Delivering Cargo Shipments Quickly and Efficiently Across 200+ Destinations Globally

The Business Challenge.

Ensure proper handling and safe delivery of all cargo including perishables, valuables, live animals and human remains.

The Solution.

Unisys Digistics™ (Logistics Solutions) to manage air cargo operations from initial booking, through warehouse and flight management, real-time tracking and control, and delivery.

Results and Benefits.

- Achieved high levels of customer satisfaction through system efficiency and communication about the status of shipments
- Gained the ability to carry 2+ billion cargo ton-miles annually
- Maintained 99.9% reliability in shipping and cargo operations

“We have been with Unisys for the better part of two decades. Their systems are very reliable, allowing us to move into the supply chain quickly and ensure we deliver shipments to customers timely and securely.”
