

Improving People's Lives Through Innovations in Healthcare

The Business Challenge.

Provide healthcare solutions for businesses throughout Latin America.

The Solution.

Network management services for Brazil, Colombia, Chile, Argentina, Mexico and Panama.

Results and Benefits.

- Improved service to customers through efficient internal processes that rely on system availability
- Achieved the ability to maintain above 99.4% uptime
- Gained cost efficiencies by centralizing network management services in Brazil to serve the other countries in Latin America

“For more than a decade, Unisys has provided the foundation for our business growth. We rely on them to keep our systems up and running to support our fast-paced business and improve the lives of people throughout Latin America.”
