

## Providing Innovative Digital Banking Solutions Across Central and Eastern Europe

### **The Business Challenge.**

Increase market share through organic growth and acquisitions within the region.

### **The Solution.**

ClearPath Forward® technology and services hosting Unisys Core Banking application, Unisys Stealth®, and Elevate™.

### **Results and Benefits.**

- Gained scalable performance to accommodate growth bursts through acquisition
- Improved time to deliver new digital services to meet customer requirements
- Achieved continuous up-time through reliable system performance

“OTP Bank is continually growing through acquisition. With more than 1,400 branches and 30,000 employees across Central and Eastern Europe, having a stable network and core banking application that support growth is critical to maintaining market leadership. Unisys has provided reliable, flexible solutions to us for more than 25 years.”

**Tibor Johancsik**  
**CIO, OTP Bank**
