

Delivering Superior Mortgage Transformation Services via an Omni-Channel Banking Experience

The Business Challenge.

Provide strategic mortgage services to better control costs, reduce capital expenditure and improve service levels.

The Solution.

Elevate™, a secure digital banking platform and application suite, to deliver efficient, scalable and compliant mortgage servicing.

Results and Benefits.

- Greater flexibility to execute mortgage programs that support loans and mortgage contracts
- Enhanced customer service by introducing new and optimized mortgage products
- Reduced average time to process mortgages

“Certainly one of the values that Unisys brings in helping Sutherland better serve its clients is the new omni-channel capability with the Elevate product. The combined partnership between Unisys and Sutherland is going to be very transformational for the UK market. Between the two, you have global scale, innovative thinking, credibility in the UK and the global market, and strong domain experience within financial services and mortgages specifically.”
