

Delivering Digital Banking Services

The Business Challenge.

Provide a wide range of banking services to individual and corporate customers across Hong Kong and southern China especially in the Big Bay area.

The Solution.

Unisys Application Services, including Enterprise Payments.

Results and Benefits.

- Increased customer satisfaction and credibility through more timely completion of payment transactions
- Improved the timeliness and the security of clearing of customers' checks to payees
- Reduced branch operating costs and improved efficiency through integration of check scanning devices

“We chose Unisys to replace our outdated payment processing system about five years ago. The Unisys solution has proven to be more secure and reliable, which enables us to deliver better service to our customers.”
