

Enhancing the Financial Well-Being of Military and Civilian Personnel, Companies, Associations and Churches

The Business Challenge.

Become the preferred financial partner for members and potential members across Louisiana.

The Solution.

Unisys ClearPath® MCP software cloud-enabled solution in a VMware environment.

Results and Benefits.

- Reduced total cost of ownership and enhanced the value of the existing VMware environment by eliminating older servers and operational overhead
- Improved service to members through faster transaction processing by 70%
- Gained greater control over the IT environment through server operating system consolidation

“Unisys has been our primary IT provider for a couple decades. The availability of ClearPath MCP for an open world gives us the ability to use what we love in a VMware environment.”
