

Providing Competitive, Highly Reliable Services for 35 Million Mobile Clients

The Business Challenge.

Maintain market leadership by making continuous improvement in services to clients.

The Solution.

ClearPath Forward® Libra Systems VSE, AB Suite for application development, and Unisys Universal Voice Message System.

Results and Benefits.

Increased revenue by offering competitive new features such as IVR, “call me now”, “never lost call”, and ability for customers to manage their mobile accounts.

“The combination of Unisys ClearPath Forward® platform, AB Suite and Universal Voice Message System has enabled us to have the most efficient, reliable and cost effective environment to support 35 million voice mailboxes for users throughout Colombia.”
