

Enabling All State Agencies to Improve Service to Citizens

The Business Challenge.

Become the preferred cloud services provider for all state agencies.

The Solution.

Unisys CloudForte® assessment to provide blueprints, automated governance and workflow necessary to generate the final Statewide Cloud Computing Readiness Assessment Report for submission to the Governor's office.

Results and Benefits.

- Gained the ability to lead a strategic plan for offering cloud computing services to the state
- Developed a platform to replace aging technology and provide modern services to state agencies, counties, cities, tribal governments and public-benefit nonprofits

“Our mission is to provide secure, resilient and sustainable services that help agencies across the state to obtain efficiencies and cost benefits of the cloud. The Unisys CloudForte assessment has positioned us to be the trusted leader in cloud readiness.”
