

Enabling Market-Leading Banking Services

Lincoln voted Union Bank as the Best in:
Banking, Customer Service, Work Environment and Financial Planning.

The Business Challenge.

Maintain award-winning customer-endorsed service by finding niches that offer new and exciting services and providing reliable account access around the clock.

The Solution.

Unisys ClearPath® Financial Server with solid state disk, network security and disaster recovery services; Burroughs advisory, automation, integration, and platform implementation services; Premier® solution from Fiserv as the core banking application.

Results and Benefits.

Achieved exceptional processing speeds, flexibility and scalability

- Nightly backup reduced from 35-40 minutes to 2 minutes
- Completion of account update programs for DDA, Savings, Certificates of Deposit and Loans reduced by 80% (from 1 hour 40 minutes to 20 minutes)
- Completion of account update process including ancillary applications and total program and data backup reduced by 64% (from 6 hours 40 minutes to 2 hours 25 minutes)

“In my 20+ years with the bank, we’ve been able to lead in our market because we’ve embraced Unisys’ leading edge technology that has allowed us to quickly bring new services and products to our customers without compromising the security of our data.”

Larry Peterson
Vice President Data Processing
Union Bank & Trust
