

Ensuring Accuracy and Accessibility of Financial Information for 70+ Million Brazilian Customers

The Business Challenge.

Maintain leading market presence as one of the primary processors of retail payment transactions through 5,000+ points of direct contact and 30,000+ ATMs across Brazil.

The Solution.

Unisys ClearPath Forward® technology and services related to check image processing.

Results and Benefits.

- Improved security and availability in check clearing process
- Achieved 100% accuracy in checking account data
- Enhanced customer service via automated payments per pre-determined schedule

“The Unisys team understands the check processing business very well. They and the ClearPath Forward platform ensure our ability to efficiently process checks, allowing us to better serve our customers throughout Brazil.”
