

Giving People Across Wales and England Secure, Digital Access to Current Accounts

Success Story

Business Challenge

Expand market share by offering current account services in addition to traditional mortgage and savings products for customers across South Wales and South West England.

Solution

Unisys Elevate™, a secure digital banking platform and application suite to deliver current account banking capabilities to its customers.

Results and Benefits

- Improved the ability to establish new business lines and attract a new generation of digital savvy customers
- Improved flexibility to have current account services and digital wallet capabilities
- Increased customer satisfaction and brand loyalty

“We chose Unisys with Elevate because it fits perfectly with our vision. It offers our members a product in which they can transact digitally anytime, anyplace, anywhere. This will help to ensure our longevity for another 150 years.”

Will Carroll
CEO, Monmouthshire Building Society
